After Twenty-two Years' Continuous Service Superintendent of Indian School Retires—Will Live Near Phoenix

Supt. C. W. Goodman of the United States Indian school of Phoenix has presented his resignation to Indian Commissioner Cato Sells to take effect on October 31 next, when Capt. Goodman will complete twenty-two years of continuous service in the Indian department of the United States. No selection has been made to fill the vacancy that will be created by the resignation of Capt. Goodman.

This action of Capt. Goodman is not taken hastily or inadvisedly. He has been contemplating so doing for some year or more ever since a threatened nervous breakdown forced him to the decision that he could no longer continue the strain of the management of so large an institution.

Capt. and Mrs. Goodman have property here and will live on his fruit farm on Park Road. The retiring superintendent entered the Indian service in 1892 as supervisor with headquarters at Chicago. After a short time in this position he was transferred to the Hopi reservation. Later he was transferred to Pawnee, Oklahoma, served there for four years going to Chillicothe school, and coming to Phoenix twelve years ago. During that time he has seen many improvements in the school come as the result of his endeavors. He has received universally the support of his superiors, as well as the cordial and loyal assistance of the employees of the school.

ARRAY OF TALENT WILL
MAKE MERRY DANCANT

There will be a great array of talent at Riverside tonight when Bobby Dean, Lillian Bessant, Fred Kisselberg and Stanley Tuck turn loose in the cabaret performance that goes with the Cafe Dansant. Bobby Dean and Lillian Bessant are two exceptionally clever cabaret artists with a world of personality and a fund of vivacity and fun that would put anybody in a good humor, and given an opportunity like this, where each has the stage to herself they are about as attractive a pair of gloom-dis-

WASHINGTON, Sept. 17.—Summer came to an official close at the White House today when President Wilson's "office" tent on the lawn was taken down. The president has not used the tent often because the glare of the sun through the canvas made it too hot.
